DISTRICT NEWS

Dear Residents,

Hurricane season is upon us and in preparation for that we are having the trees around the property trimmed back so they don't become a

JOE MALLEN DISTRICT MANAGER

hazard during a storm. An RFP (Request for Proposal) was submitted and EDJ Landscape was awarded the job by our Board, to trim the trees on the District side.

The repair to the irrigation pipe leak under the parking lot has been completed. Hopefully this will last for another 25-30 years.

Our Iguana Specialist safely and humanly removed over 40 iguanas in just 2 visits. He will visit our property a few times a month to help control the population. The goal is to reduce the number of mature adults so that egg production falls to a manageable level.

The City of Sunrise has accepted our application for permit - April 28th- to complete work on the bathrooms for Satellite 5. We are working with a good General Contractor and hope to be done with the remodel by mid to late-May pending approval of our permit.

On the Association side, the Golf Maintenance Shed roof replacement should begin late May/early June by Aegis Roofing, pending permit approval by the City. We are still accepting bids to repair the walkways around the Golf Course.

Best regards,
Joseph Mallen - District Manager

DISTRICT NEWS

Dear Residents,

Hurricane season is upon us and in preparation for that we are having the trees around the property trimmed back so they don't become a

JOE MALLEN DISTRICT MANAGER

hazard during a storm. An RFP (Request for Proposal) was submitted and EDJ Landscape was awarded the job by our Board, to trim the trees on the District side.

The repair to the irrigation pipe leak under the parking lot has been completed. Hopefully this will last for another 25-30 years.

Our Iguana Specialist safely and humanly removed over 40 iguanas in just 2 visits. He will visit our property a few times a month to help control the population. The goal is to reduce the number of mature adults so that egg production falls to a manageable level.

The City of Sunrise has accepted our application for permit - April 28th- to complete work on the bathrooms for Satellite 5. We are working with a good General Contractor and hope to be done with the remodel by mid to late-May pending approval of our permit.

On the Association side, the Golf Maintenance Shed roof replacement should begin late May/early June by Aegis Roofing, pending permit approval by the City. We are still accepting bids to repair the walkways around the Golf Course.

Best regards,
Joseph Mallen - District Manager
